## TECNOPAISAJES CONSULTORES S.L. TEAMS WITH FORREST RICHARDSON & ASSOCIATES TO PROVIDE GOLF COURSE DESIGN CONSULTING

---

Jesús De Vicente Sánchez, principal of Tecnopaisajes Consultores S.L., announces the formation of consulting services in conjunction with Forrest Richardson, noted Golf Course Architect based in Phoenix, Arizona, USA.

Forrest Richardson & Associates has worked through North America, including Mexico, Canada and the Hawaiian Islands. Work with Technopaisajes Consultores S.L. and their clients will mark a move to offer golf design expertise in Europe. Forrest Richardson and his staff will bring their expertise in working with arid environments, including the specialities with drought tolerant turfgrasses, landscapes and planning approaches to golf projects.

Most recently, Mr. Richardson was honored by Golf Development World Magazine with the International Golf Development of the Year Award. The award was given for the firm's work at The Links at Las Palomas in Puerto Peñasco, Sonora, Mexico. The 18-hole residential community sits on natural sand dunes along the Sea of Cortez.

Mr. Richardson is a member, and serves on the Board of Governors, of the American Society of Golf Course Architects (ASGCA). The noted organization includes 175 of the world's most acclaimed golf course designers.
